

Name

Student ID

Obligatory exercise #k

2011-08-15

Task

Solution

Remember: filename is kk_ddd_ddd_nnn.pdf where kk is the id of the obligatory exercise with a leading zero if less than 10, dddd_ddd is your student id having six figures, and nnn is your last name (with as many characters as you need).

Example: 01_101234_Langweg.pdf

Adhering to the naming convention keeps files in a usable order and allows for automatic processing.
